

We are excited to announce that registration for the 2025 online UKMPG meeting is now live. This event is **free** and open to UKMPG members and non-members.

Please follow this link to

register: <https://www.tickettailor.com/events/ukmammographyphysicsgroup/1878347>

While the full programme will be confirmed soon, we're pleased to already have a range of insightful talks lined up, featuring contributions from NHS colleagues, the NCCPM, and members of the IPEM 89 working group.

Please note: Non-members are welcome to attend, but participation in the full meeting and specific sessions is at the discretion of the committee and presenters, based on the attendee's employer.

Also, a reminder that we are still seeking volunteers to take on the Webmaster & Mailing List Admin role for the UKMPG committee. If you're interested or want to learn more, please get in touch, we're happy to discuss the details. Feel free to share this opportunity with your team, including non-members.

Kind regards,

Chris Wood (UKMPG Secretary)
